

# AUSTIN FREESTANDING

## DATA SHEET

COMPACT AND VERSATILE

*Sleek, modern, and built for almost any environment.*

*Rather than create a rigid solution, the Austin was meticulously engineered to be the most flexible solution in the kiosk market.*

*Enjoy access to hundreds of existing configurations to make each Austin your own. Dress it up with custom graphics or keep it simple and elegant, the choice is yours. Its compact footprint and rugged security complement a variety of environments for companies that seek to improve ROI and user interaction in small spaces or high traffic areas.*

## BRINGING EXCELLENCE TO THE GUEST EXPERIENCE

- Ticket Sales
- Check-in
- Will call/Ticket Pickup
- Memberships
- Data Capture
- Surveys
- Customer Information
- Other custom solutions

# AUSTIN FREESTANDING KIOSK

**SLEEK, FRIENDLY. AN INTERACTIVE DIGITAL DISPLAY THAT WILL IMPRESS YOUR GUESTS AS MUCH AS IT HELPS THEM.**

*The Austin Freestanding Kiosk is the product of years of feedback and over one hundred million customer interactions. Gone are the days of a single monitor option, a single printer option, or other strict design rules.*

*The monitor can be ordered in portrait or landscape orientation. 22" PCAP touchscreen.*

- *The kiosk is serviced from the front side, making it easy to get in-and-out quickly when routine maintenance is needed.*
- *The kiosk utilizes familiar POS printers so that no kiosk-specific ticket stock needs to be ordered and stocked.*
- *Several payment device options are already available and more are added as needed.*

*With so many existing configurations, the Austin is used for a wide range of ticketing solutions.*
