

THINK OUTSIDE THE BOX OFFICE

Sell tickets anytime, anywhere
with our state-of-the-art kiosk
solution.

Smart

Sell up to 500 tickets per hour
for a fraction of the cost of a
human seller.

Secure

Sturdy, secure enclosure
with non-accessible ports.

Simple

Simple touch-screen
interface with an
elegant purchase flow.

HOW IT WORKS

No matter what ticketing software you use, you can connect to as many KIS Kiosks as you'd like. All you need is internet and a power source. It's really that simple!

Offer your patrons the pleasure, convenience, and ease of serving themselves at a kiosk, whether they are picking up pre-paid will-call or purchasing tickets.

Our smart, secure, simple interface is the most successful automated kiosk available to the ticketing industry today.
